

Downtown Reno Partnership | Trespass Agreement Details

What is a trespass agreement? Attached you will find a trespass agreement. When signed by the property owner/representative, it allows the Ambassadors, or any representative of the Downtown Reno Partnership (DRP) to sign a citation on behalf of the property owner or representative when said representative is not available. The trespass agreements and citations are facilitated in partnership with the Reno Police Department.

Please return your signed agreement to: drpdispatch@streetplus.net From there our team will log your agreement and keep it on file to use if needed to trespass individuals off your property.

*Please note that DRP representatives do not access private property to trespass individuals, rather if trespassing is observed while patrolling, they will call RPD on behalf of the private property and will sign citation.

Questions?: Please email: drpdispatch@streetplus.net or call the DRP at 775-313-4080.
